PROGRAM DESCRIPTION - Our music instruction goes beyond private lessons to develop the whole musician. The program has two parts: **1) private lesson** and **2) enhancement activities**. The private lesson teacher gives the student direction as to the amount and type of participation expected in the **enhancement activities**. The **enhancement activities** include student recitals (every seven weeks), master classes, community performances, guest artist presentations, musicianship classes, and sister-school exchanges. The importance of these enhancement activities combined with the quality of our private instructors cannot be overstated as this is what makes our students as successful as they are.

OPEN REGISTRATION and COMMITMENT: There are **35 weeks** in our full Academic Year: September 13, 2010 to June 5, 2011 (see Handbook calendar for more details). Through our Open Registration, students can start this program at any time during the year (subject to the availability of teachers). Upon registration, students commit to the program through June 5, 2011.
